Juan,

I was phished. It's a scam to capture contact lists. Delete!

An embarrassing occurrence that I apologize for.

By the way, I may have mentioned previously that I will be retiring as of June 30th. We'll get a letter to you about new contact points before I go.

Regards,

Sam

I am unsure what this document is, but I have not been able to open it. Is there another way you can provide it to me?

Thanks.
